Year One Homework Letter Autumn 1

NANSEN PRIMARY SCHOOL

History

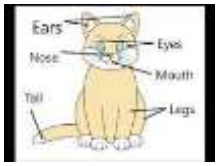

-Draw your classroom and label it.

-Design and make your own memory box. Inside the memory box, you could add some of your favourite photographs and some items from when you were in Nursery and Reception.

Science

- Draw an animal and label the different body parts.

ART

- Use a mirror to look at yourself and your facial features. Using a range of materials create a self-portrait that looks like you.
- Use your favourite family photograph to create a portrait of your family.

Religious Education

-Write about all of the different groups you belong to. Then draw a picture of your favourite group.

Computing

-Using a paint program, draw yourself and write a sentence.

Music

-To make your own musical instrument.
-To use your instrument to create a beat.

PSHE

-Make a poster about how to look after your hygiene.

Value of the Half term: Creativity

-Create a 3D model of your classroom.
