Year Three Autumn 1: Curriculum Letter

English

As writers we will learn …

- To entertain (narrative)
- To inform (holiday brochure)
- To express (Diary Entry)

Children will look at two books – Black Dog and Skara Brae. Children will learn how to write in role using descriptive language and how to build suspense using the correct grammatical features.

Maths

As mathematicians we will learn …

-Addition and Subtraction
-Number bonds to 100.
- Estimating numbers to the nearest 10 or 100.
– Inverse operations
- Multiplication and Division, including 2x, 5x, 10x, 3x, 4x and 8x table facts
- Representing multiplication as equal groups and using arrays to represent calculations.

Science

As scientists we will learn…

What are the right types of food for animals and humans? Children will also learn about human and animal skeletons. Children will carry out an investigation on nutrition and joints. They will understand which plants can make their own food and what they need to eat in order to get the nutrients they need.

History

As historians we will learn about the …

Stone Age to Iron Age: Children will learn about the very first civilisations recorded. They will discover how people lived in the Stone Age, Bronze Age and Iron Age. They will learn about their early settlements, the tools and weapons that people made and used about their religious beliefs. They will explore how early man evolved from being hunter gatherers to become farmers.

Art

As artists we will learn…

-About painting and mixed media.
-Develop an understanding of early humans communicated and how to express themselves through art.
-To understand and use different painting techniques.

Computing

As programmers we will learn …

- How to organise, create and present.
- Children will use a programming software called J2E to help them with their computing.
- Children will learn how to include headings, different colours, different text onto a word document.

Creativity Aspiration Respect Excellence Supportive

Music	Physical Education	Religious Education	PSHE
