Year Three Homework Letter Autumn 1

History

We are learning all about the stone age.
Can you create your own 3D version of a stone age house?
Think about what was found at Skara Brae and create your own model. You could create it using a cereal or shoe box.

Science

Create your own leaflet all about the human body.
You should include:

- What is a healthy diet?
- What does a skeleton look like?
- Can you name the bones?
- What are muscles used for?

Remember, include drawings to make it eye catching!

Art

Create your own outdoor rubbings. Use some crayons or pencils and find different outdoor surfaces to showcase your rubbing skills

What different textures did you find? Did you find a mixture of rough or smooth ones? How else can you describe the surfaces?

Religious Education

Create a poster to show how you would care for our world and environment. How would you feel if no one cared for our world?

What do you think God would want us to do to make sure we look after our world?

Computing

Logon to J2E and click on j2create.

Can you create a document all about the stone age which includes:

- Headings
- Pictures
- Information

Music

Our musician of the half term is Hans Zimmer.

Can you create a fact file all about Hans Zimmer and his music?

PSHE

List down things that make you feel happy, that make you feel at peace.

Draw some pictures to match your feelings.

Value of the Half term: Creativity

Write an acrostic poem.
Create a 3D model of a Stone Age tool.
Make a friendship bracelet for World Mental Health Day.
Create a poem about what makes you happy.

Creativity Aspiration Respect Excellence Supportive
