Year Three Autumn 2: Curriculum Letter

English

As writers we will learn …

- To write an entertaining narrative in third person about a character in Peter Pan.
- To write an explanation text and explain how rocks are formed and what can be discovered beneath our feet, using accurate scientific vocabulary.

Children will look at two books – Peter Pan and The Street Beneath my Feet. Children will learn how to write in role using descriptive language and how to build suspense using the correct grammatical features.

Maths

As mathematicians we will learn ……

- To know how to use addition and subtraction
- To know number bonds to 100.
- Understand how to estimate numbers to the nearest 10 or 100.
- To know how to use Inverse operations.
- To know Multiplication and Division for the 2x, 5x, 10x, 3x, 4x and 8x table facts.
- To know how to represent multiplication as equal groups and using arrays to represent calculations.

Science

As scientists we will …

- Learn about rocks.
- Explore different types of rocks, how they are formed and what they are used for.
- Carry out exciting experiments to develop their scientific skills and learn about the work of scientist Holly Betts.

Geography

As geographers we will learn …

- What is life like in the Alpine region of Europe?
- Explore where the Alps are located and learn about the mountains, weather and wildlife.
- Discover how people live in the Alps and compare this with life in the UK.

DT

As designers we will learn.

- Learn about healthy and balanced diets.
- Design, make and evaluate their own healthy sandwich.
- Learn about a variety of nutritious fillings suitable for a family.

Computing

As programmers we will learn …

- What QR codes are and how they are used in everyday life.
- Explore J2E, create and test their own QR codes.

Music

As musicians we will learn..

- How express, perform and Inspire.
- Enhance their vocal abilities and develop confidence in musical expression.
- Listen, appraise and learn to sing a song called ‘Let your Spirit fly’.

Physical Education

As athletes we will learn …

- Develop passing, shooting and movement skills.
- Learn simple attacking and defending tactics.
- Practise moving into space to receive a pass.
- Work as a team to keep possession and score points.
- Apply attacking and defending strategies in small-sided games.

Religious Education

As thinkers we will learn

How Muslims and followers of the Bahá’í faith come together through kindness, respect and unity. They will also learn how Christians celebrate Christmas through worship, singing carols and coming together as a community.

PSHE

Emotional and Mental: More about me

Recognise our feelings, name some feelings, know that these can change in different situations, know who to speak to at home and school if worried and to know when a secret is not acceptable.
