Year Three Homework Letter Autumn 2

NANSEN PRIMARY SCHOOL

Geography

Create an Alpine Region Fact File or Poster

Include the following:

Location: Where are the Alps? Name some countries where the Alpines are found.

Mountains: Draw or find a picture of the Alps and name a famous mountain.

Weather: What is the weather like in the Alps during summer and winter?

Science

Go on a rock hunt and become a rock collector!

What different types of rock can you find?

Create a table and locate as many different rocks as you can!

DT

Create your own set of instructions to create a cheese sandwich.

What ingredients will you need? How many of each item will you need? What are the steps involved in making the sandwich?

Religious Education

Draw a poster all about Christmas.

Research and find out what Christians do on Christmas and why it is so important to them.

Draw some pictures to match your research!

Computing

Use J2E to create a word document with different landmarks as the background.

Can you add your own picture on top?

Can you create a booklet?

Music

Create an instrument using household items and explore different aspects of music.

PSHE

Find someone you love to talk to and talk about your feelings. How do you feel when:

You are going to the park

Someone takes your toys away

You want to keep watching TV longer

When you have lots of friends to play with?

Value of the Half term: Aspiration

Set yourself 3 goals that you would like to achieve before Christmas.

This might be related to times tables, sport or handwriting.

Make sure it is achievable!

Creativity Aspiration Respect Excellence Supportive
